

RELATIONSHIP PROPERTY ANALYSIS
FORENSIC ACCOUNTING
INDEPENDENT TRUSTEE SERVICES

From our combined years of experience dealing with relationship property disputes we understand that you need someone who can cut through the mountains of data to find out what really went on and appraise you of your client's potential claims or defences.

Sometimes it's the need for a court appointed independent trustee to protect assets from warring spouses or factions. At Covisory we can assist you with these and other related services.

Please feel free to contact either of us to find out how we can be of assistance to you or your clients.
